## K of C Responds to Katrina With Largest Disaster Effort Ever

The Knights of Columbus Supreme Council has announced the largest disaster relief effort in its history. The Order has pledged a minimum of \$2.5 million in financial assistance and will match any funds beyond that donated to the Knights of Columbus Katrina Relief Fund over the next 60 days.

Of that money, \$250,000 will be immediately distributed to Catholic Charities in affected areas, and \$1.25 million will be used in the immediate future to assist those displaced and made indefinitely homeless. An additional \$1 million will be set aside and used to rebuild the estimated 130 Catholic schools destroyed or seriously damaged by the storm and its aftermath.

"We are asking all of our councils and assemblies in the United States and Canada to become active in this relief effort within 60 days either through cash donations or volunteer efforts," said Supreme Knight Carl A. Anderson. "We are also asking our members to support the collection appeal of the United States Council of Catholic Bishops, and are looking into the possibility of establishing a job bank for those displaced."

Many Knights of Columbus in local councils near the affected areas are volunteering their homes, council halls, and personal time and supplies to those affected. These efforts, local and national, will expand in the days ahead. Members of the Order in the United States and Canada, and the general public are asked to donate to this effort.

Donors in the United States should make checks payable to Knights of Columbus Charities USA, Inc. Both your check and envelope should be clearly marked: Attention: Hurricane KATRINA Relief. Donations should be sent to: Knights of Columbus, Charities USA, Inc., Gift Processing Center, PO Box 9028, Pittsfield, MA 01202-9028, Attention: Hurricane KATRINA Relief

## *The Grand Knight's Message...*

August started (unofficially) with a very well attended breakfast on July 31. The food was up to its usual high standard. The line for breakfast, after the second Mass, was out the door. I attribute much of this to the work of our new Council communications chairman, PGK C.J. Staton. He has done an excellent job publicizing our events through the parish bulletin. I believe his work will greatly increase the Council's visibility to both current and potential Knights.

I would like to thank all those that attended the Installation of Officers. I know it is tough to get out on a weeknight, especially since we had to reschedule the event twice. We were only missing four officers, which I think is a remarkable feat. Warden Brendan Bernat provided an excellent array of refreshments after the ceremony.

Special thanks go out to Tom and Jeri Trudeau for heading up Taco Night, the Fr. Nudd Memorial and the West Virginia Campout. All three events went well. We had Knights from several different councils and assemblies join us at the Fairfax Memorial Cemetery for our tribute to Fr. Nudd. Members of the Acts of the Apostle Assembly did a great job adding some flare to the day.

There was a meeting on July 25 to discuss the status of the construction of our council storage building next to our conex in the school bus lot. Brother Bob Loy met with a representative of Fairfax County. County Officials have finally given us the approval to begin construction of the building.

Unfortunately, the costs associated with this project have gone up since this project was approved in 2003. Bob will be submitting an amendment to his motion to increase the funding for this project at the first meeting in September.

We will be voting on this motion at a special meeting on September 10. A special meeting is required because our quote from the company supplying the building expires before the September 21 meeting. In order to avoid another costly delay to the project we must vote on this motion earlier. Please, see the separate article in this newsletter for additional details. If any member has questions or concerns about this project please feel free to give me a call.

## From the Pen of the Worthy Chaplain...

Dear Brother Knights,

I spent a short time away last month. I have returned from my travels refreshed and renewed. I trust that you and you families have had a relaxing vacation.

Summer is just about over. The extended vacations are finished and our children are going back to school. Please pray for their success every day as they continue on their journey towards adulthood and as they prepare themselves to live as true and faithful Christians. May they grow stronger and closer to Our Lord every day.

This month I look forward to joining you at the roast of Jim Frazer at the Past Grand Knight's Dinner on Saturday, September 10. I am sure many of you will have much to say about him. So will I. I also look forward to the Italian Dinner Night of Saturday, September 24.

Lastly, I wish to thank you for all of the kindness and generosity that you have shown to Fr. Thomas this summer. He is on his way back to India. Please remember him and his mission parish in your prayers.

Again, thank you for all of your hard work. May God bless each and every one of you and your families.

September 25, will mark the first meeting of our Squires and Squire Roses councils for the new year. Byron Beall and Victoria Kimmel have been busy planning for the year. They will be meeting on the third Sunday of every month in the Fr. McGivney room from 2-3. Any child under the age of 17 are welcome to join. Their father does not need to be a member of the Knights for them to join. I am very excited about this and look forward to getting these young men and women involved with our activities.

Vivat Jesus!

One hundred percent of contributions will go directly to hurricane relief, and all donations to Knights of Columbus Charities are tax-deductible.

The Knights have nearly 50,000 members in Louisiana, Alabama and Mississippi. Of those about one-third have life insurance through the Order.

The Knights of Columbus -- one of the country's 10 largest providers of mutual life insurance with more than \$54 billion in force -- has also announced that it will be suspending lapses of policies and premium notices in FEMA-designated disaster areas for at least 60 days.

## August Knight of the Month

I am pleased to announce that the August Knight of the Month is **Rev. Kevin Beres**. This past month Father has been of great assistance to us. He played a key role in our Installation of Officers and at the Fr. Nudd Memorial. We have also been blessed to have him at many of our Council meetings to offer his lessons and insights.

## August Family of the Month

I am happy to name the family of **Tom and Jeri Trudeau** as Family of the Month for August. Tom and Jeri planned and coordinated all three of our events during August. I am especially thankful for their generosity in once again opening their West Virginia home to our Council for the campout.
